Endorsements

“Hrishi has the unique ability to see through the fog and identify what really drives and motivates each team member. He has a gifted capability to understand someone's emotional needs as it pertains to being an effective member of my team; and he does not hesitate to share these insights with all of us, often leading to an epiphany of sorts. It wasn't obvious until Hrishi's investigator beam brought it to light.”

—Fathi Said, CEO, Ecommerce, Inc.

“Hrishi has been a great resource in sharing ideas and approaches and in discussing how I can improve our team effectiveness. At our leadership retreat, Hrishi proved to be an energetic presenter and seasoned facilitator, who is extremely comfortable in an executive setting. I highly recommend Hrishi to any organization looking to enhance team cohesion and strategic alignment.”
