# Angela Vasquez

Principal Consultant, The Table Group

Founder & CEO, Magnum Opus Consulting

With over 20 years of business, leadership and consulting experience, Angela uses her passion and executive experience to inspire CEOs and leadership teams to embody organizational health and create dynamic cultures that transform people and performance.

Angela works regularly with leadership teams in quickly and effectively applying the concepts captured in all of Pat Lencioni's books. Her clients span a broad spectrum of industries, including technology, professional services and manufacturing.

Angela artfully balances her smart and healthy skills and takes a holistic business management approach to help her clients tap into their collective intelligence and drive to desired outcomes.

Prior to partnering with The Table Group, Angela served in various financial and operational leadership roles at global companies such as McAfee, Vignette and Dell and at entrepreneurial organizations such as software startup Khorus.

Angela graduated from the University of Texas at Austin with highest honors and continues to call Austin her home. Her greatest love and accomplishment in life is being a mom to Caleb.

## Endorsements

“Angela is gifted when it comes to understanding the dynamics within a team. Her ability to bring both hard and soft business skills was of tremendous value to our organization. I hope to continue to work with Angela for the rest of my career.”

—Joel Trammell, Entrepreneur and CEO, Khorus

“Angela's unique leadership prowess and extensive background in all facets of business makes her the quintessential business leader. One of her greatest attributes is to carefully and quickly identify challenges and implement solutions that will increase profitability for the stakeholders of any business.”

—Michael Leon, CEO, Luxe Surfaces
